

PRESERVE - PROTECT

The Historic West Side Neighborhood Association (HWSNA) was established in the late 1970's to fight zoning changes that altered the residential character of the neighborhood. In 1983, the HWSNA convinced the city council to "down zone" the entire area to an 'R-3,' single-family zoning classification to stem the increasing conversion of homes into commercial use and multi-family rental housing. Since then, the HWSNA has been a steady voice before the city council to maintain its residential character. In addition to our advocacy on zoning issues, the HWSNA maintains a 'house history' program to formally recognize notable houses. Our Historic Home Tour is one of many ways we work to keep our neighborhood beautiful, safe, and friendly.
