APL Encourages Spay/Neuter

Over 75,000 dogs and cats die in Illinois each year because there aren't enough homes for them. What can you do to help? Spay and Neuter your Pet! It is the best defense against pet overpopulation. The Animal Protective League's High Quality, Low Cost Spay/Neuter Clinic can help at an affordable cost. The clinic is open to all. The costs to spay or neuter an animal are: dogs \$55, female cats \$44; male cats \$35, feral cats \$25. Animals must have a rabies vaccine prior to surgery. One is available at the time of surgery for \$9. Animals who have been spayed or neutered are less likely to exhibit offensive behaviors such as fighting, roaming and spraying and are often less likely to develop certain types of cancer. Since the clinic opened in 2006 we have seen the euthanasia rate drop in Sangamon County by over 12.5%. Spay/Neuter Works! Please do your part to help end pet overpopulation. Get your pet spayed or neutered. For more information or to make an appointment please call the APL at 789-SPAY.

What is the HWSNA?

The Historic West Side Neighborhood Association was established in the 70's to fight zoning changes that altered the residential character of the neighborhood. In 1983, the HWSNA convinced the city council to "down zone" the entire area to an 'R-3,' single-family zoning classification to stem the increasing conversion of homes into commercial use and multi-family rental housing. Since then, the HWSNA has been a steady voice before the city council to maintain our area's residential character. Beyond advocacy on zoning issues, the HWSNA maintains a 'house history' program to formally recognize notable houses. Our **Historic Home Tour** is a great way to truly see the unique value of these grand old homes. Your support will help keep our neighborhood beautiful, safe, and friendly.
