Ward 6 Revitalization & Rehabilitation Fund

The Ward 6 Revitalization and Rehabilitation Fund is a 501c(3) nonprofit organization committed to the revitalization and rehabilitation of the neighborhoods within Ward 6. At our meeting on Thursday, January 26th, we will discuss ideas and consider suggestions about the Ward 6 Fund for neighborhoods. Any interested resident can go to Alderman Jobe's website at www.jobeward6.com and click on the Ward 6 Revitalization and Rehabilitation Fund on the top left side of his home page to review the application and the guidelines for neighborhoods who decide to apply. We have an area within our association boundaries that encompasses blocks from MacArthur east on Lawrence to Walnut, then south on Walnut to South Grand, back west on South Grand to MacArthur and then north on MacArthur back up to Lawrence, plus one block north of Lawrence bounded by Edwards, Glenwood and Walnut, all of which are in Ward 6. Funding for the Ward 6 fund stems from the support of

local businesses and residents of the ward including Ward 6 Alderman, Cory Jobe, who is donating a portion of his salary to the fund. An advisory committee of business owners and residents will oversee the fund, the grant process, and the projects to ensure compliance. The neighborhoods within the Ward 6 fund area include Grand Central, Harvard Park, Hawthorne Place, Historic West Side, Iles Park, Near South, Old Aristocracy Hill, Springfield South Corridor, and Vinegar Hill.

What is the HWSNA?

The Historic West Side Neighborhood Association was established in the 70's to fight zoning changes that altered the residential character of the neighborhood. In 1983, the HWSNA convinced the city council to "down zone" the entire area to an 'R-3,' single-family zoning classification to stem the increasing conversion of homes into commercial use and multi-family rental housing. Since then, the HWSNA has been a steady voice before the city council to maintain our area's residential character. Your support helps our neighborhood be safe and friendly.
