## Have you ever Gotten a Parking Violation for...?

Did you know that it is a violation if you park a vehicle perpendicular to the sidewalk (in a driveway) and have it extend across and block part or all of the sidewalk. Now that it's warmer months, this is particularly hazardous because of small children playing outdoors and riding bikes and tricycles. Be aware of the law.

## What is the HWSNA?

The Historic West Side Neighborhood Association was established in the 70's to fight zoning changes that altered the residential character of the neighborhood. In 1983, the HWSNA convinced the city council to "down zone" the entire area to an 'R-3,' single-family zoning classification to stem the increasing conversion of homes into commercial use and multi-family rental housing. Since then, the HWSNA has been a steady voice before the city council to maintain our area's residential character. Your support helps our neighborhood be safe and friendly.
