Springfield Share Fest Extreme School Makeover

During the summer of 2011, the people of Springfield rallied together around the clock to refurbish Harvard Park Elementary School's 55,000 square foot facility.

From July 27-August 3, a similar extreme school makeover will take place at McClelland Elementary School. Springfield Sharefest will also complete needed health, safety and enhancement projects at Jane Addams Elementary School.

While the HWSNA is not affiliated with these projects or Springfield Share Fest, we encourage members to volunteer for local efforts to improve our neighborhoods. This information is being provided at the request of an HWSNA member who is involved with the project.

To find out more, please go to www.SpringfieldShareFest.org.

What is the HWSNA?

The Historic West Side Neighborhood Association was established in the 70's to fight zoning changes that altered the residential character of the neighborhood. In 1983, the HWSNA convinced the city council to "down zone" the entire area to an 'R-3,' single-family zoning classification to stem the increasing conversion of homes into commercial use and multi-family rental housing. Since then, the HWSNA has been a steady voice before the city council to maintain our area's residential character. Your support helps our neighborhood be safe and friendly.
