This is a great way to invest in our community. Join up and support local neighborhood initiatives. Each Trivia Team will consist of 10 players. The entry fee is \$10/person.

[cory@jobeward6.com](mailto:cory@jobeward6.com) or 622-9630.

## Intersection Changes

The City has asked to defer the grant applications for the MacArthur/Lawrence and Walnut/Lawrence intersections until a traffic audit is done. The city will re-apply next year with the data from that audit. The audit will collect and review data. There will then be a discussion of all potential options. HWSNA has been promised that our group will be involved in any discussion of potential options. To date, we have received no new information regarding the audit.

## HWSNA Neighborhood Sign

The neighborhood sign toppers which were partially funded by the grant HWSNA received from the Ward 6 Revitalization Fund is almost complete and will soon be ready for installation! More details will be on the website as they become available.

## What is the HWSNA?

The Historic West Side Neighborhood Association was established in the 70's to fight zoning changes that altered the residential character of the neighborhood. In 1983, the HWSNA convinced the city council to "down zone" the entire area to an 'R-3,' single-family zoning classification to stem the increasing conversion of homes into commercial use and multi-family rental housing. Since then, the HWSNA has been a steady voice before the city council to maintain our area's residential character. Your support helps our neighborhood be safe and friendly.
