Mayor of Springfield"

Meet The Mayoral Candidates

Join others in the neighborhood to ask questions of the individuals running for Mayor of Springfield. This is your chance to engage with the potential future leaders of Springfield. Their ideas and solutions to some of the city's more pressing issues will be discussed, as well as any questions presented by the audience. Please take this opportunity to participate in local government. We hope to see you at the meeting!

High Accident Intersection signs removed

Other proposals are in the works now that the audit on the Lawrence/MacArthur and Lawrence/Walnut intersection audit has been completed. The "High Accident Intersection" signs have been removed. Incremental work is being done to help with the traffic flow. Come to the meeting if you wish to learn more about what the city plans for the intersections.

HWSNA Neighborhood Sign

The neighborhood sign toppers which were partially funded by the grant HWSNA received from the Ward 6 Revitalization Fund ARE INSTALLED. Take a look and see what you think. More details can be found on the website at.

What is the HWSNA?

The Historic West Side Neighborhood Association was established in the 70's to fight zoning changes that altered the residential character of the neighborhood. In 1983, the HWSNA convinced the city council to "down zone" the entire area to an 'R-3,' single-family zoning classification to stem the increasing conversion of homes into commercial use and multi-family rental housing. Since then, the HWSNA has been a steady voice before the city council to maintain our area's residential character. Your support helps our neighborhood be safe and friendly.
