National Night Out began in 1984 as an effort to promote involvement in crime prevention activities, police-community partnerships, neighborhood camaraderie and to send a message to criminals to let them know that neighborhoods are organized and fighting back. This program culminates annually on the first Tuesday of August. This activity involves millions of people in all fifty states. Please be sure to participate by turning on your porch light for this evening. We hope to see you Tuesday, August 4, 2015!
